Notice of Price Change

Dear Valued Customers

We would like to express our sincere gratitude for your continued patronage of our products.

The situation surrounding the industry remains difficult, and the costs of raw materials such as iron and copper, which are the raw materials for our products, as well as parts, auxiliary materials, and transportation, are rising sharply, continuing to significantly push up manufacturing costs.

We have striven to control production costs by improving productivity and streamlining efforts, but we are no longer able to absorb the impact through internal efforts alone, and have therefore decided to ask for price revisions as detailed below.

We will continue to strive to improve quality and cleaning capabilities, so we apologize for any inconvenience this may cause and kindly ask for your understanding.

○Applicable Products :

- Mold cleaning machine CLIPIKA ACE consumables

(Cleaning basket, safety cover, waterproof pan, power supply bar for sliding electrodes, anode/cathode lead wires, U-shaped parts, etc.)

- Mold Cleaning Machine for Optical Components CLIPIKA ACE OPT consumables

(Platinum electrodes, lath plates, etc.)

- Metal Mold Repair Welding Machines MOLHEI/MORKITI/CLAYDON/MOLPET consumables

(Metal creams, stainless steel plates, stirring and application rods, electrodes, cords, etc.)

○Effective from : **From April 1, 2026 deliveries**

○New Prices : **Approximately 5-30% of price hike from the current prices**
